

WEEKEND GUIDE

Coastal Trails

Two easy days on the north shore: cliffs, coves and the best fish tacos within walking distance.

Why go

The coastal path links four beaches with a single, well-marked trail. You can walk it in sections, swim between them and be back in town for dinner. Spring and early autumn bring the clearest light and the quietest coves.

Hike

12 km

Cliff path with four lookouts and shaded rest stops.

Swim

4 coves

Calm water before noon; lifeguards at Shell Bay.

Eat

Harbour

Market stalls, fish tacos and gelato by the pier.
